**Darold Dobs**  
**Executive Director - ABC**

Darold Dobs knows bowling from every angle with a resume full of experience at the proprietor, competitor and management levels.

It's that kind of background that gives him the expertise to serve as American Bowling Congress Executive Director, a position he assumed May 1, 1989, succeeding Roger Tessman.

Dobs, headed the ABC Field staff for nearly six years as ABC Group Executive-Field Services. An ABC Fieldman is one who deals with the local bowlers, associations and proprietors on a one-on-one basis.

In addition to coordinating the travel and assignments of the ABC Field staff, Dobs redirected the concept of those under him, getting them more involved in educational programs and increased services for leagues, bowlers and associations. He also has been closely involved with the ABC Planning Committee which has been focusing on the future of the Congress.

Dobs was a bowler first, and a good one at that. He has averaged as high as 212 and has a high series of 778. He still averages in the 190s. He holds one Greater Milwaukee Bowling Assn. Doubles title and a Waukesha County B.A. team title.

Later he became a bowling center manager and then general manager for three centers in Milwaukee. He joined the Congress in 1979, and was involved in the management of the Tournament Sanctions and Rules departments prior to becoming Group Executive.

With that background, he is knowledgeable of almost every problem which can be posed to him, in addition to knowing what bowlers, proprietors, league and association officials want and need.

Born Jan. 18, 1943, Dobs graduated from the University of Wisconsin-Milwaukee with a degree in sociology and always has resided in the Milwaukee area. He and his wife Marion have three daughters.

The officers and members of the Bozeman Men's Bowling Association thank all bowlers entered in the Montana State Men's Bowling Association's 75th Annual Tournament.

We have worked hard and have made every effort to make this year's tournament one of the best. We hope you have fun and that your stay in Bozeman is an enjoyable and memorable one. A special thanks also is given to the Bozeman YABA and the Bozeman Women's Bowling Association for their help before and during the tournament. While in Bozeman we hope you will patronize or at least say thank you to all the sponsors who purchased ads in the tournament program booklet.

Your participation has helped make it a great success and we look forward to being your host city again sometime in the future.

A very special thanks to Mr. Darold Dobs for taking time from a very busy schedule to attend the Hall of Fame Ceremony. Bowlers from throughout the State of Montana and especially from Bozeman hope you have a good time and welcome you back any time.

### History of the Montana State Tournament.

Records of the first State Tournament are scarce. Most programs show that it was held in Great Falls in 1915 or 1916, although the 1951 program shows it in Lewistown in 1916. Earlier "State" Tournaments were held, but not of the format we have today. In 1902, a State Tournament was held in Butte at the Thornton and Pfister Alleys, with seven three-man teams participating. Each team rolled a series against each of the other six teams, with the winners knocking down 10,012 pins.

The Second State Tournament was held in Anaconda, February 22-24, 1917. Rudy Swanson, Anaconda's Hall of Fame member, has a program entitled "Second Annual Banquet of the Montana State Bowling Association." This banquet was held at Gregson Springs (where Fairmont Resort is now located) on February 24, 1917. There was no 1918 tournament because of World War I.

Only open events were held until 1927, when a booster team event was added. Booster doubles, singles and all events were added in 1933, and then dropped. In 1937, the Montana State Bowling Association decided that future tournaments would have three divisions: Open (A) 825 (B) 750 (C), and that there would again be booster doubles, singles and all events. Also, at this same meeting an interesting resolution was passed - that the State Association would request that the host alleys use 3 lb. - 4 oz. "Maples" instead of the 3 lb. wood that many were using.

In 1938, the Montana State Bowling Association was reorganized in Billings as a permanent organization. No previous tournaments had been ABC sanctioned, so 300 games rolled in 1935 and 1937 were not recognized by ABC. Since 1939, all state tournaments have been ABC sanctioned.

There were two booster teams, one booster doubles and singles, and two booster all events divisions, plus the open divisions, in the 1940 tournament. In 1941, another booster doubles and singles and another booster all events division were added. Then in 1942, the tournament was again changed so that there were three divisions - one open and two booster - in each event. No tournaments were held in the years 1943 and 1944 due to World War II.

While earlier booster divisions were apparently scratch, those since 1945 have been handicapped. From 1945 through 1962, there was only one booster division. In 1959, the handicap was based on 66 2/3% of the difference between average and 169 for singles, 338 for doubles, and 845 for team. Three divisions, all handicapped, were used in the 1963 tournament. From 1964 to 1974, the top division was again open. In 1973, the third booster division at 145 and under was added. This was raised to 150 and under in 1974. The present tournament format has been used since 1975 - all divisions are handicapped based on 80% of 210 scratch. The A division is for 180 and over average bowlers, the B division for 166-179 average, the C division for 151 to 165 averages, and the D division for 150 and under averages.

In 1988, a Hall of Fame Banquet was organized and held in Butte the night before the opening weekend. At this banquet five new members of the Montana Hall of Fame were inducted. The banquet has continued forward to the 1992 tournament.

(NOTE: Most of the above data was gleaned from the records of Rudy Swanson of Anaconda. Much additional data was supplied from bowling data from the files Herb Carlson and Melvin Ulstad of Anaconda. If any bowler reviewing this history and the other records contained in this program has any of the missing data, he is asked to please pass such information on through his local association delegate to the State Association, or to mail it to Harvey Pierce, State Secretary, P.O. Box 416, Bozeman, Montana 59715. Copies of Programs, entry forms, prize lists, financial statements and newspaper clippings will all help greatly to rebuild the State Associations records of past tournaments.) In 1985, Ed Strommen, Anaconda, made a thorough up-date of previous programs and made over 100 additions and/or corrections which are reflected in this program.
