Montana Association

On behalf of the MTUSBC Board of Directors allow me the privilege of welcoming you to Helena for the 2016 MTUSBC Open Championship Tournament in what is the 10th Anniversary of the forming of the MTUSBC. As you arrive in Helena and prepare to take the lanes during this tournament in your quest for the title of State Champion take a moment to remember that even though the sport of bowling is what has brought you and your teammates together, it is important that you not focus on the winning and the losing that goes with competition but rather focus on the time you are able to spend with your friends and family. While in Helena take a moment to enjoy the beauty and offerings of the Capital City outside of the bowling center. The Helena USBC has been working to insure that each of you leaves this great community with nothing but fond memories of your time spent here.

Allow me to thank you for your continued patronage of this championship tournament and to extend well wishes to each of you in your pursuit of bowling excellence..

Montana State OPEN Tournament

2016 Open Championship Tournament Rules

Tournament Format – The tournament is USBC certified and will consist of two bowled events – a four (4) person Team event and a combined two (2) person Doubles event and an individual one (1) person Singles event. Bowlers may participate in either the Team or the combined Doubles/Singles events or both events. Bowlers participating in the Doubles event must bowl in the Singles event.

Team Composition – In the Team event, teams may be comprised of any combination of men and women, totaling four (4) bowlers. In the Doubles event, teams may be comprised of two (2) men or women or one (1) man and one (1) woman totaling two (2) bowlers.

Divisions – The tournament is divided into three divisions. Each division is based on the total team average of the participants competing in the event as shown on the front of this form.

Handicap – Handicap for all divisions will be based on 90% of 235 and computed using the team average method.

Phone or E-mail Entry Reservations – Squad time reservations will be accepted, however, entry form and fees must be received by the tournament director not later than 14 days of the reservation or the squad time will be vacated. Incomplete entry forms or fees will be accepted but not scheduled until all entry information and/or fees are received.

Prize Ratios – The prize ratio will be at least one (1) to five (5) or major fraction thereof for the Team event; the prize ratio will be at least one (1) to eight (8) or major fraction thereof for the Doubles/Singles events. Prize money will be returned 100%. Last paid place on the prize list will be equal to the prize fee paid. Championship awards in each division will be presented to each member of the Team, Doubles, and Singles events bowling the highest score. Championship awards will not be presented to winners in the optional events. The cost of the awards will be from the expense fees paid. Duplicate awards will be made in case of ties.

Special Events – The following optional special events are offered in this tournament. The entry fees for these events will be included in the prize fund for the event and returned 100%.

Entries Close (USBC Rule 310) – Entry deadline is Sunday, May 22, 2016, prior to the start of the last scheduled shift, which is 3:00 pm for both team event and doubles/singles. Any entry forms not accompanied by the fees required for the events entered will be accepted but not scheduled until all fees are received.

Multiple Participation (USBC Rule 315) – A bowler may participate in the Team event an unlimited number of times but at least two (2) players must be different. A bowler may participate in the combined Doubles/Singles event once.

Entering Average (USBC Rule 319a) – A bowler must use the higher of his/her 2014-15 final season average (summer leagues included) or their January 1, 2016, average. A bowler without a certified 2014-15 winter or summer league average, or a January 1, 2016 average may use their current average as of the date bowled. All averages are for a 21 game minimum. To verify an alternate average, an average verification letter from the participant's league secretary or local Association Manager will be required. If a bowler's final 2014-15 regular, summer, or January 1, 2016 certified league average was attained in a league bowling outside Montana, an average verification letter from that league's local Association Manager will be required.

Assigned Averages (USBC Rule 319b) – A participant without a legal entering average will be assigned an average of 235.

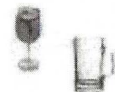

USBC Rule 319a (2) is waived. Current averages that are 10 pins or more higher than the entering average do not need reporting. The average affidavit form is no longer required. However, all other aspects of USBC Rule 319 are in effect.

NOTICE: MONTANA USBC STANDING RULES, which are applicable to ALL Montana State tournaments, can be found and downloaded on the website: BowlMontana.com/tournaments Entries close Sunday, May 22, 2016
