There are miles of walking, hiking and biking trails, museums, numerous art galleries, breweries, and Headframe Spirits Distillery to visit and enjoy.

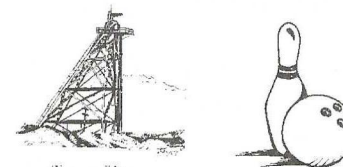

You will also enjoy a visit at Montana Tech, The Mineral Museum and the Mining History Museum which will show the vast mining history of Butte. The Granite Mountain Memorial is a great place for reflection of Butte's Mining history. This is worth visiting!

You will also enjoy a stop at the Butte Silver Bow Courthouse and the Archives to view the rich and beautiful history of Butte's local government. Feel free to stop in at the courthouse or call 497-6214 with any questions!

MONTANA USBC ASSOCIATION

Fred Sadler, President

On behalf of the Board of Directors of the Montana USBC State Association, I would like to take this opportunity to welcome everyone who is participating in the 2019 Montana USBC Open State Championship Tournament. The state association, along with the centers and local associations, strive to keep this tournament as fun and enjoyable as possible. We anticipate 100% total enjoyment this year as we always do when we conduct a state tournament in Butte.

Once again, this year some changes have been made to our state tournaments that we hope will be viewed as improvements. The two most notable changes are allowing multiple participation up to three times in the doubles and singles events and the acceptance of credit cards for entry fee payments.

Last year, we made a major change to the entering average you use for this tournament. We provided a 5-year state tournament average for those who frequent our state tournaments and that became your entering average providing you had at least 21 games minimum. This year that will again be the average most of you will use. Of course, the 5-year state tournament average listing has been updated since last year. Any bowler, who does not have at least 21 tournament games bowled in the last five years, will use their highest average from the prior season or January 1st.

The Butte USBC Association and Star Lanes have been working hard to make sure that your time in Butte is as enjoyable as possible. I know you will be pleased with their hospitality and professionalism in conducting a top notch state tournament.

Butte has many wonderful sites to see, places to shop and eat and entertainment venues that only Butte could provide. Take the time to visit some of the many sponsors and thank them for their support of this tournament.

I would like to thank each one of you for supporting this tournament and hope that you continue to support this tournament next year in Missoula and for years to come. If you have any suggestions to try to make this tournament better, please contact me or one of the other state board members.

Thank you for being here and I wish you the best of luck both on and off the lanes.

Fred Sadler

2019 Open Championship Tournament Rules

1. **Tournament Format** – The tournament is USBC certified and will consist of two bowled events – a four (4) person Team event and a combined two (2) person Doubles event and an individual one (1) person Singles event. Bowlers may participate in either the Team or the combined Doubles/Singles events or both events. Bowlers participating in the Doubles event must bowl in the Singles event.
2. **Team Composition** – In the Team event, teams may be comprised of any combination of men and women, totaling four (4) bowlers. In the Doubles event, teams may be comprised of two (2) men or women or one (1) man and one (1) woman totaling two (2) bowlers.
3. **Divisions** – The tournament is divided into three divisions. Each division is based on the total team average of the participants competing in the event as shown on the front of this form.
4. **Handicap** – Handicap for all divisions will be based on 90% of 235 and computed using the team average method.
5. **Phone or E-mail Entry Reservations** – Squad time reservations will be accepted, however, entry form and fees must be received by the tournament director not later than 14 days of the reservation or the squad time will be vacated. Incomplete entry forms or fees will be accepted but not scheduled until all entry information and/or fees are received.
6. **Prize Ratios** – The prize ratio will be at least one (1) to five (5) or major fraction thereof for the Team event; the prize ratio will be at least one (1) to eight (8) or major fraction thereof for the Doubles/Singles events. Prize money will be returned 100%. Last paid place on the prize list will be equal to the prize fee paid. Championship awards in each division will be presented to each member of the Team, Doubles, and Singles events bowling the highest score. Championship awards will not be presented to winners in the optional events. The cost of the awards will be from the expense fees paid. Duplicate awards will be made in case of ties.
7. **Special Events** – The following optional special events are offered in this tournament. The entry fees for these events will be included in the prize fund for the event and returned 100%.

Event	Entry Fee	Prize Ratio	Event Description
All-Events	\$ 5.00	1:20	Combined scores from first Team event and Doubles /Singles event with handicap by division.
Scratch Team	\$ 28.00	1:8	Scratch score of all team entrants in any Team event. Must enter as a team.
Scratch All-Events	\$ 5.00	1:20	Combined scratch scores of first Team event and Doubles /Singles event; all entrants combined in a single division.
Scratch Doubles	\$ 7.00	1:8	Combined scratch scores of event entrant and partner in Doubles portion of the Doubles/Singles event. Both partners must enter.
Scratch Singles	\$ 7.00	1:8	Scratch score of event entrant in the Singles portion of the Doubles/Singles event.
8. **Entries Close (USBC Rule 310)** – Entry deadline is Sunday, May 19, 2019, prior to the start of the last scheduled shift, which is 3:00 pm. for team event and 3:00 pm. for doubles/singles. Any entry forms not accompanied by the fees required for the events entered will be accepted but not scheduled until all fees are received.
9. **Multiple Participation (USBC Rule 315)** – A bowler may participate in the Team event an unlimited number of times but at least two (2) players must be different to cash. A bowler may participate in the combined Doubles/Singles event up to 3 times, but must change partners each time to cash and must also bowl singles each time. A bowler can cash **only once** in singles.
10. **Entering Average** – A bowler must use his/her **Montana USBC state tournament average (21 game min.) as listed on the website, www.bowlmontana.com**. If no such average exists, then bowler must use his/her 2017-18 final season average (summer leagues included) or their January 1, 2019, average, whichever is higher. A bowler without a certified 2017-18 winter or summer league average, or a January 1, 2019 average may use their current average as of the date bowled. **Non-Montana residents are required to have at least 21 games in a 2018-19 Montana league to be eligible to enter. All averages are for a 21 game minimum.** To verify an alternate average, an average verification letter from the participant's league secretary or local Association Manager will be required. **A current season (2018-19) USBC membership is required to enter this tournament or must purchase one onsite prior to bowling.**
11. **Assigned Averages (USBC Rule 319b)** – A participant without an entering average will be assigned an average of 235.
12. **USBC Rules 319a(2) & 319d are waived.** Current averages that are 10 pins or more higher than the entering average do not need reporting, nor do any prize winnings need reporting. All other aspects of USBC Rule 319 are in effect.
13. **USBC Rule 319c Average Adjustments** is only in effect for bowlers, who have been rerated nationally by USBC and only when the adjusted average is higher than their Montana USBC state tournament average.
14. **NOTICE: MONTANA USBC STANDING RULES, which are applicable to ALL Montana State tournaments, can be found and downloaded on the website: BowlMontana.com, then select this specific tournament.**
